PROJECT UPDATE:

Week 4 (June 1-6) :

The following major work items were completed last week:

- Topsoil grading along new pavements and final touch up work
- Installation of all airfield electrical light fixtures

Week 5 Schedule (June 8-13) :

Looking forward, the following work items are expected to take place this week:

- Painting markings on new runway 14-32 and taxiway systems
- Seeding and mulching native turf

Work continues to progress on schedule. The runway is expected to be open June 13.
